*Only for those who want recovery is there hope at all, and to such we offer great hope: release from the power of addiction, loss of guilt and shame, power over wrong and freedom to do right, and the ability to live comfortably with ourselves others and God. This is precisely what the Fellowship of the Steps will do when we make it a way of life.*

October 6 – 8

# *Standing Free*

...the painful load of guilt dropped from our shoulders,  
until we could lift our heads, look the world in the eyes,  
and stand free.
