The Chicago Area SA Intergroup has created a web site as part of its Fifth Tradition effort. The web site contains selected excerpts from SA literature, announcements about open meetings, and a partial listing of Chicago-area SA meetings.

Therapists interested in being included on the Therapist Outreach Mailing List should send their email addresses to therapistslist@chicagosa.org. Members of the list will receive the SA Meeting List each time it is updated, and announcements of SA Open Meetings. Clergy should send their email to clergylist@chicagosa.org.

The Chicago Area SA Intergroup would like to keep the meeting list as up-to-date as possible. If you are aware of meeting schedule or location changes, or if you find errors in the listings shown, please pass that information on to your Intergroup Representative or send an email explaining the changes to meetinglistupdate@chicagosa.org.
